Invitation to the Public Participation Process: Gerus – Mururani Gate Powerline

Dear Sir / Madam,

NamPower proposes to construct a new 400kV power line, for which an Environmental Assessment has been completed. The power line route runs from Otjikoto (west of Tsumeb) via Rundu to Katima Mulilo. In support of the proposed transmission line, a second HVDC transmission line has been proposed. This transmission line will run from Gerus to Mururani Gate.

Eco.plan has been appointed by NamPower to undertake an Environmental Assessment (EA) for the transmission line.

A series of public meetings are being advertised and you are cordially invited to attend the meeting that is most convenient for you. Four meetings will be held;

- **Windhoek: 17 May 2006 @ 17:00** Scientific Society, 110 Robert Mugabe Ave, Windhoek.
- **Otjiwarongo: 18 May 2006 @ 10:00** Otjibamba Lodge, Otjiwarongo.
- **Otavi: 18 May 2006 @ 14:00** Town Hall, Otavi.
- **Grootfontein: 19 May 2006 @ 11:00** Town Hall, Grootfontein.

Following the public meetings, a Scoping Document will be produced and made available to Interested & Affected Parties (I&APs) for comment. Whether you are directly affected, or just an interested party, we invite you to register as an I&AP so that we can keep you informed. If you wish to register, please let us have your contact details by email, fax or post or phone us: -
