

# FINAL PHASE DISTRIBUTION SCHEDULE

Following the completion of the first phase of the 1mLED Campaign, NamPower is now embarking on a countrywide roadshow to distribute the remaining LED bulbs to households that did not benefit during the initial phase. Distribution points will be set up in different towns around the country and homeowners who did not benefit during the first phase can **exchange four (4) used incandescent bulbs for four (4) LED bulbs**, on a first come, first served basis.

Beneficiaries should **bring their municipal bill** and **identification document** to the distribution points to benefit from the exchange. **Operating hours - 08:00 -17:00**. The distribution schedule is as follows:

NamPower would like to thank everyone who participated in the 1mLED Campaign, while encouraging those who did not benefit during the first phase, to make use of this opportunity. By participating in this important Campaign, you are contributing towards reducing electricity usage in residential areas during peak times.
