BIDDER'S NAME	**PRICING AT BID OPENING N$ (EXLUDING VAT – N/A)**	**RESPONSIVE OR NOT RESPONSIVE (YES/NO)**	**REASONS WHY THE BID IS NOT RESPONSIVE**
NDAHJ ICT SOLUTION	-	No	-Bidders were required to submit a minimum of five (5) reference letters from the bidder's clients, demonstrating a track record of supply and delivery of Distribution Transformers (11kV – 33kV, 16kVA – 1000kVA) to the value of at least N$ 1 500 000. In addition, bidders were required to submit Proof of payment and invoices to support the

			authenticity of the supply and delivery being referred to in the reference letters. **The bidder only submitted (3) reference letters, and they did not submit any Proof of payments as required.**
WANGWALI GLOBAL TRADING CC	-	No	-Bidders were required to declare under any of the categories to qualify for the exclusive Margin of Preference. **The bidder did not submit a completed and signed declaration form.** -Bidders were required to submit a letter from a financial institution operating in Namibia confirming an undertaking to provide a credit facility or working capital of no less than N$1 000,000.00 **The bidder only submitted a letter of intent, which does not confirm an undertaking to provide a credit facility or working capital, nor does it specify any amount.** -Bidders were required to submit a minimum of five (5) reference letters from the bidder's clients. In addition, bidders were required to submit Proof of payment and invoices to support the authenticity of the supply and delivery being referred to in the reference letters. **-The bidder submitted letters that do not demonstrate a track record of supply and**

			delivery of Distribution Transformers (11kV – 33kV, 16kVA – 1000kVA).
PUPKEWITZ MEGATECH (PTY) LTD	-	No	-Bidders were required to declare under any of the categories to qualify for the exclusive Margin of Preference. **The bidder did not submit a completed and signed declaration form.** -To qualify, an entity must be incorporated or registered in Namibia, and at least fifty-one per cent (51%) of its ownership, membership, or beneficial interest must be held by Namibian citizens. In all formations, Namibian citizens must hold not less than fifty-one percent (51%) of the ownership, membership, or beneficial interest. **The bidder is owned by a Trust, and they did not submit identification documents of all the Trust members to determine the 51% or more ownership percentage.** -Bidders were required to submit certified copies of the identification documents of all shareholders, members or trustees, as applicable, together with the corresponding share certificates, member interest certificates or other proof of ownership or beneficial interest. **The bidder is owned by a Trust, and they did not**

			submit identification documents of all the Trust members. -Bidders were required to submit a minimum of five (5) reference letters from the bidder's clients, demonstrating a track record of supply and delivery of Distribution Transformers (11kV – 33kV, 16kVA – 1000kVA) to the value of at least N$ 1 500 000. In addition, bidders were required to submit Proof of payment and invoices to support the authenticity of the supply and delivery being referred to in the reference letters. **The bidder only submitted three (3) reference letters, and only one (1) Proof of payment was submitted to support one of the three reference letters.**
AKM ENGINEERING CC	-	Yes	
ACTOM ENERGY NAMIBIA	-	No	-To qualify, an entity must be incorporated or registered in Namibia, and at least fifty-one per cent (51%) of its ownership, membership, or beneficial interest must be held by Namibian citizens. **The bidder did not submit the company's registration documents; they only submitted a certificate of change of name, therefore ownership could not be determined.** 4. Bidders were required to submit company registration

			documents, i.e., certificate of incorporation or registration, the current share register, share certificates, members' interest certificate and or beneficial ownership register, current membership register or trust deed and Registration Certificate. **The bidder only submitted a certificate of change of name, which is a part of the CM forms that should have been submitted. The bidder did not submit share certificates of the shareholders.** -Bidders were required to submit a valid certified copy by a Commissioner of Oaths or the Namibian Police, of a Company Registration Certificate (CM/CC forms) indicating equity or member interest, issued by the Business and Intellectual Property Authority (BIPA); or in the case of a trust, a Deed of Trust and Registration Certificate issued by the Master of the High Court of Namibia. **The bidder only submitted a certificate of change of name, which is a part of the CM forms that should have been submitted. The bidder did not submit share certificates of the shareholders.** -Bidders were required to submit certified copies of the identification documents of all shareholders, members

			or trustees, as applicable, together with the corresponding share certificates, member interest certificates or other proof of ownership or beneficial interest. **The bidder submitted copies of identification documents; however, because the company registration documents were not submitted, ownership could not be determined.** -Bidders were required to submit a minimum of five (5) reference letters from the bidder's clients, demonstrating a track record of supply and delivery of Distribution Transformers (11kV – 33kV, 16kVA – 1000kVA) to the value of at least N$ 1 500 000. In addition, bidders were required to submit Proof of payment and invoices to support the authenticity of the supply and delivery being referred to in the reference letters. **The bidder submitted 5 reference letters, 4 of the letters demonstrate a track record of supply and delivery of Distribution Transformers; however, they do not specify the contract/Bid or purchase order value as stated in the requirement. One of the five letters had values attached to it, however it is an appointment letter, which does not qualify as**

			a reference letter. No proof of payments and invoices were submitted to support all the letters as per the requirement.
DYNAMIC POWER SOLUTIONS	-	No	-Bidders were required to submit a minimum of five (5) reference letters from the bidder's clients, demonstrating a track record of supply and delivery of Distribution Transformers (11kV – 33kV, 16kVA – 1000kVA) to the value of at least N$ 1 500 000. In addition, bidders were required to submit Proof of payment and invoices to support the authenticity of the supply and delivery being referred to in the reference letters. **The bidder only submitted two reference letters. No proof of payments and invoices were submitted to support either one of the letters as per the requirement.**
NGC PROJECTS	-	Yes	
TSIKA ENERGY (PTY) LTD	-	No	Bidders were required to submit a minimum of five (5) reference letters from the bidder's clients, demonstrating a track record of supply and delivery of Distribution Transformers (11kV – 33kV, 16kVA – 1000kVA) to the value of at least N$ 1 500 000. In addition, bidders were required to submit Proof of payment and invoices to support the authenticity of the supply and delivery

			being referred to in the reference letters. **The bidder did not submit any reference letter, proof of payment or invoice.**
