

LED Champion Regions

- LED Champion 1 (LEX Technologies)
- LED Champion 2 (NamEnergy Resources)

INSTALLATION SCHEDULE

NamPower launched the 1 Million LED Campaign, through which it will be replacing incandescent bulbs with LED bulbs - FOR FREE - in areas of your house where lights are mostly on during the morning peak hours (6:00am - 9:00am) and evening peak hours (18:00pm - 21:00pm). NamPower has contracted LED Champions who will be installing the 1 million LED bulbs through a door-to-door approach countrywide.

THE LED CHAMPION WILL BE IN THE FOLLOWING AREAS (Week 10: 7 November - 12 November 2016)

IMPORTANT INFORMATION TO NOTE:

- Bulbs from the 1mLED Campaign are clearly marked, "NOT FOR SALE".
- Always verify authenticity of the LED installer by requesting for his/her Campaign ID Card and Namibian ID Card.
- Make sure you sign the Data Gathering Form to verify that you have received the LED Bulbs.
- Report any suspicious acts to the local police or LED Champion in your region.
