

PUBLIC ANNOUNCEMENT

KUDU POWER PROJECT INFORMATION SHARING SESSION

NamPower is developing the 800MW Kudu Power Station to be built at Oranjemund as from end 2014 up to end of 2017.

NamPower is encouraging Namibian providers of goods and services to ready themselves in order to participate during the construction of the power station as sub-contractors.

NamPower is therefore hosting Information Sharing Sessions on promoting the Kudu Power Project. The local business communities in and around the following Southern towns are invited to attend as per the schedule below:

Lüderitz	Turnhalle Hotel	22 October 2013	11:00
Mariental	Mariental Hotel	23 October 2013	11:00

Interested parties that want to attend the information session should confirm with the Kudu Project Office by contacting Mrs. Joan Gouws at Tel. 061–2052207 / 081 1270757 or email: joan.gouws@nampower.com.na no later than Friday, 18 October 2013.
