**Executive Summary of Bid Evaluation Report**

**DESIGN AND CONSTRUCTION OF KHOMAS 220/66 kV SUBSTATION**

**Reference number of procurement: W/OIB/NPWR-05/2024**

1. **Scope of Contract:** Design and Construction on new 220/66kV Khomas substation and bay extension at Van Eck Substation
2. **Procurement method used:** Open International Bidding
3. **Date of Invitation of Bids:** 20 June 2024
4. **Closing date for submission of bids:** 20 September 2024
5. **Date and place of opening of bids:** 20 September 2024, Caprivi Boardroom, NamPower Head Office
6. **Number of bids received by closing date:** 6
7. **Responsiveness of bids:**

| Bidder' s Name                                                                                                                                                          | Pricing at Bid Opening N\$ | Responsive or not responsive (Yes/ No) | Reasons why bid is not responsive                                                                                                                                                                                                                                                                                                                    |
