

NamPower, a responsible corporate citizen, invests greatly in education with the aim to contribute to the socio-economic development of the country. NamPower is committed towards economic development in Namibia and therefore invites applications for **UNDER-GRADUATE** and **POSTGRADUATE** bursaries from young Namibians who wish to pursue studies at a University or Technikon in SADC:

## **UNDER-GRADUATE STUDIES:**

- Degree in Electrical Engineering
- Degree in Mechanical Engineering
- Degree in Civil Engineering
- Degree in Education (Majoring in Maths & Science)

## **POST-GRADUATE STUDIES:**

- Master in Electrical/Power Engineering
- Master in Management Accounting

## **BURSARIES FOR PEOPLE WITH DISABILITY:**

- Degree in Accounting
- Degree in Law

Please note: Applicants should indicate the nature of disability on the application form.

## **ELIGIBILITY FOR A NAMPOWER BURSARY IS DEPENDENT ON:**

- Namibian Citizenship
- Grade 10 end of year results
- Grade 12 April and August results
- Academic progress report, if already a student at a University, Technikon or University of Technology
- Provisional acceptance at a University, Technikon or University of Technology, Institution of Higher Learning.

**NB:** Applications for fields of study other than the ones mentioned above, will NOT be considered.

The decision of the NamPower Bursary Committee as endorsed by the Managing Director is final, and no correspondence will be entered into. Only short-listed candidates will be contacted for interviews.

Application forms can be obtained at NamPower Offices (in all Regions) as well as at the NamPower Head Office, 15 Luther Street, Windhoek or can be downloaded from the website at [www.nampower.com.na](http://www.nampower.com.na). Completed application forms together with certified copies of the required documentation should be sent to:

The Bursary Administrator, NamPower, P.O. Box 2864, Windhoek.  
The deadline for submission of applications is **31 October 2018**.

**Note:** Female and racially disadvantaged candidates are encouraged to apply for bursaries especially in the Engineering study fields.
